

UANL

UNIVERSIDAD AUTÓNOMA DE NUEVO LEÓN

## FACULTAD DE MEDICINA

### Chemical Clinical Biologist

#### Elective courses

Strategic Project Management  
Andrological Analysis  
Forensic Analysis  
Applied Instrumental Analysis  
Molecular Diagnostics and Biotechnology  
Design and Analysis of Experiments  
Continuing Education  
Molecular Epidemiology of Sentinel Pathogens  
Research Internships  
Academic Internships  
Diagnostic Medical Hepatology  
Cytogenetic Diagnostic Tools  
Intermediate English  
Upper Intermediate English  
Pre-Intermediate English  
Comprehensive Organic Analysis Laboratory  
Academic Mobility  
Molecular Pathology  
Professional Internships  
Psychology and Professional Development  
Public Health  
Research Seminar II  
Selected Topics in Clinical Laboratory  
Selected Topics in Microbiology
