

KOSPIE

Combined Study and Practice Stays for Engineers from Developing Countries

Information on German Institution

This fact sheet will be published for potential scholarship candidates to inform themselves about participating German universities and institutions. Please fill in the form with potential candidates in mind who might have very little background knowledge about living and studying in Germany. Information provided should be specific for the programme.

1. General information

1.1 Logo and image of university

Visit our website: www.eah-jena.de

1.1 Institution has been accredited by
AQUIN, AHPGS, AQAS, FIBAA

1.2 Does your institution follow the code of conduct for exchange programmes?
Yes ☒ No ☐

1.3 Location of the institution. *Please specify if the institution has more than one location.
(up to 100 words)*

The Ernst Abbe University of Applied Sciences is a single campus university, which is located south to the city centre of Jena. Jena is a major science hub in Central Germany, with two Universities and 12 research institutes (e.g. Max Planck, Leibniz and Fraunhofer research societies). With a total population of 110,000 inhabitants – including 20,000 students, 4,500 scientists and 35 percent of the employees holding an academic degree – Jena is a young and vibrant city that offers excellent conditions for studying as well as enjoying a high quality of living.

2. Faculties and Bachelor programmes participating in the programme

Name of faculty	Name of the Bachelor programme at the faculty; webpage-link to Bachelor programme
Business Administration	Business Information Systems (B.Sc.): https://www.eah-jena.de/en/study-programme/engineering
Electrical engineering and Information Technology	Electrical Engineering and Information Technology (B.Eng.) : https://www.eah-jena.de/en/study-programme/engineering
Mechanical Engineering	Mechanical Engineering (B.Eng.), Mechatronics (B.Eng.): https://www.eah-jena.de/en/study-programme/engineering
Medical Technology and Biotechnology.	Biotechnology (B.Eng.), Medical Engineering (B.Eng.) https://www.eah-jena.de/en/study-programme/engineering
SciTec	Laser- and Optotechnologies (B.Eng.), Materials Engineering (B.Eng.), Microtechnology / Physics Engineering (B.Sc.), Optometry / Ophthalmic Optics (B.Sc.), Precision Engineering (B.Eng.): https://www.eah-jena.de/en/study-programme/engineering
Industrial Engineering	Business Administration and Engineering - Digital Economy (B.Sc.), Industry International (B.Sc.), E-Commerce (B.Sc.), Environmental Technology (B.Sc.), https://www.eah-jena.de/en/study-programme/engineering

Insert new table rows for additional faculties/study programs

3. Services for international/KOSPIE students and special attractions of the area

3.1 What kind of services do you offer to international students and especially for KOSPIE students?

(up to 150 words)

KOSPIE students will have access to the full service for students of the Ernst Abbe University of Applied Sciences Jena, including the tutoring programme, cultural activities, German courses during the semester, career and study counselling. Furthermore, KOSPIE students are

guided by academic supervisors and supported by senior students in their respective field of study.

3.2 What are the most special attractions for international students in the region? (up to 250 words)

Outdoors in the surroundings of Jena

Jena lies in the beautiful Saale valley. The Saale and its tributaries have worn deeply into the shell limestone and mottled sandstone hills and created an impressive landscape. There are numerous hiking paths starting in Jena and running up to the elevated plains from which you will have a panoramic view of the town and its surroundings. Those who like hiking, running, mountain biking and other sports will find a paradise here.

Weimar

Weimar is located about 20 km away from Jena and can be easily reached train, in about 20 min. Without exaggeration, it can be claimed that Weimar is one of the most important towns in Germany. Weimar is known for a number of well-known people, i.e. Cranach, Goethe, Schiller, Herder and Liszt. It is rich of history and the birthplace of the world-famous Bauhaus.

4. Cost of living

4.1 Dorms, costs at university cafeteria etc.

Item	Cost or comment
Average student dorm rent per month	€304
Average rent in private housing	€358.80 (calculations are based on a rent index of €11.96 per square meter for 30 square meters of living space)
Semester contribution/fee	€288.65
Public transportation	Germany wide transportation ticket ("Deutschlandticket") is included in semester fee

Average expenses	€800
	...
	...

4.2 Further remarks, if necessary (for example information on extra fee for dorms or semester fee etc.)

The semester fee is a compulsory charge coming due prior each semester. It covers basic services available exclusively to students. The semester fee includes the student's identity card, the culture ticket with which one can get free entry to cultural events as well as the Germany wide transportation ticket ("Deutschlandticket") with which one can use all local and regional public transportation services in Germany free of charges.

5. Language skills required

Language	Certificate/level or score	Comment
English	LEVEL B2 TOEFL 72	TOEFL is not required. Any certificate that proves B2 level will be accepted.
German	LEVEL B1 TestDaF n.A.	TestDaF is not required. Any certificate that proves B1 level will be accepted.

6. Established partnerships with the following Latin-American higher education institutions and faculties

Argentina	Universidad Tecnológica Nacional Buenos Aires, Universidas CAECE Buenos Aires
Colombia	Universidad de Medellin, Universidad Nacional de Colombia Bogota
Mexico	Universidad de Quintana Roo, Tecnológico de Monterrey, Universidad Autonoma Del Estado De Mexico Toluca de Lerdo

Comments

7. Tuition waivers

Yes ☐ No ☒

Comment: No tuition fees, only semester administration fees.

8. Cooperation with companies regarding possibilities for internships

The students will discuss internship options with their academic supervisors and the University's Career Service. Local partners are e.g. ZEISS, Jenoptik, Jena-Optronik, MAZET, Vistec, Intershop, Jenaer Antriebstechnik.

9. Further remarks/special services

The Ernst Abbe University of Applied Sciences Jena is located in an attractive research and industrial region in Central Germany and is very well connected within this region. The density and availability of opportunities for students and graduates in science, business and society is a unique selling point for Jena. Students at the EAH Jena take advantage of these opportunities to complete practical phases in companies (research internship), to carry out practical work during their studies (working student), to write theses in companies and to find employment after successfully completing their studies.

10. Housing situation

In Jena, there are a total of 3,500 places available in 27 halls of residence run by the Studierendenwerk Thuringia. Accommodation in the halls of residence is coordinated with the Studierendenwerk for KOSPIE students. KOSPIE students are supported with the room application by the International Office. In addition, the International Office sends a priority list to the Studierendenwerk. KOSPIE students are also included in the priority list. A regular data transfer takes place between the Housing Department (Studierendenwerk Thüringen) and the International Office (EAH Jena) to ensure that the applications of the prioritised students have been received and confirmed.

11. Contact information

Contact person at the international office
