3. Services for international/KOSPIE students and special attractions of the area

3.1 What kind of services do you offer to international students and especially for KOSPIE students?
(up to 150 words)

We can offer the following support services:

- Support with all administrative steps upon their arrival in Karlsruhe.
- Orientation week at the beginning of the semester
- A varied leisure programme that includes welcome or farewell events for the scholarship holders as well as cultural events.
- A dedicated student tutor to support the students, also in case of personal problems.
- Free German language courses during the semester
- Placement of buddies/tandem partners to improve language skills
- Workshop at the Career Service for internship application

3.2 What are the most special attractions for international students in the region?
(up to 250 words)

The castle is the most famous building of the city. It is located in the centre of the city, very near to the campus. Besides, Karlsruhe has a very peculiar museum, well known in Europe. It is the ZKM, centre for art and media, a one of a kind cultural institution where different exhibitions take place showing the development of art and society in different media forms. Highlight of the winter term is the Christmas market in December. The main event of the good season is usually

“Das Fest”, one of the biggest outdoor music and band festivals in Germany.

The local economy is based on a well-developed structure of medium-sized businesses, particularly in future-oriented technologies such as computer science, multimedia, control systems, energy technology and environmental science as well as nanotechnology. Several major companies, among them Bosch, Siemens, Daimler AG and Michelin, have production facilities in the region. Major research and development institutions (e.g. Fraunhofer Institute, Intel research campus) contribute to the city's and region's worldwide reputation as a center for innovation and new technologies.
