## Combined Study and Practice Stays for Engineers from Developing Countries

### Information on German Institution

*This fact sheet will be published for potential scholarship candidates to inform themselves about participating German universities and institutions. Please fill in the form with potential candidates in mind who might have very little background knowledge about living and studying in Germany. Information provided should be specific for the programme.*

---

## 1. General information

### 1.1 Logo and image of university

universität  
**uulm**

Visit our website: [www.uni-ulm.de](http://www.uni-ulm.de)

### 1.1 Institution has been accredited by

Ulm University is a public institution of higher education and operates under public law. It is authorized by the Ministry of Science, Research, and the Arts of Baden-Württemberg to confer both undergraduate and postgraduate degrees.

### 1.2 Does your institution follow the code of conduct for exchange programmes?

Yes ☒ No ☐

### 1.3 Location of the institution. *Please specify if the institution has more than one location. (up to 100 words)*

Ulm, a city of around 130,000 residents, was recently ranked as Germany's most livable and future-ready city. Together with its twin city, Neu-Ulm, located just across the Danube River, Ulm forms a distinctive urban area. Situated in southern Germany's Baden-Württemberg, near Stuttgart, Munich, and the Alps, it provides an ideal environment for living, studying, and working. Ulm combines medieval and modern architecture, complemented by a rich array of cultural, sports, and leisure activities. Its dynamic economy, fueled by medium-sized businesses, global players, and high-tech industries, makes Ulm one of Germany's most economically vibrant regions.

## 2. Faculties and Bachelor programmes participating in the programme

Name of faculty	Name of the Bachelor programme at the faculty; webpage-link to Bachelor programme
Faculty of Engineering, Computer Science and Psychology	Biomedical Engineering <a href="https://www.uni-ulm.de/en/in/faculty/studium/courses/study-course/course/electrical-engineering-and-information-technology-bachelor-1/">https://www.uni-ulm.de/en/in/faculty/studium/courses/study-course/course/electrical-engineering-and-information-technology-bachelor-1/</a>

### 3. Services for international/KOSPIE students and special attractions of the area

3.1 What kind of services do you offer to international students and especially for KOSPIE students?

*(up to 150 words)*

As KOSPIE students at Ulm University, you will benefit from a customized welcome and support program designed to ensure your success. This program includes a thorough orientation at the start of your stay, as well as cultural activities such as city and campus tours, and company visits. You will also receive intercultural training, along with academic and administrative advising to ease your transition to life in Germany.

To help you secure an internship, we offer intensive application training and targeted mentoring from experienced professionals. Additionally, student tutors will assist you with administrative tasks and provide peer-to-peer mentoring, complemented by professional guidance from the International Office, Career Service staff, and faculty.

3.2 What are the most special attractions for international students in the region?  
*(up to 250 words)*

Ulm provides international students with a rich array of experiences. It is an ideal base for exploring both local and European attractions while enjoying a vibrant and culturally rich student life:

**Ulm Minster:** Home to the world's tallest church steeple, standing at 161.53 meters (see picture on the right).

**Ulm Christmas Market:** One of Germany's oldest and largest Christmas Markets; it offers a festive, romantic atmosphere with traditional stalls and seasonal charm.

**Oath Week:** A historic city festival dating back to medieval times, featuring concerts, fairs, and "Nabada," a

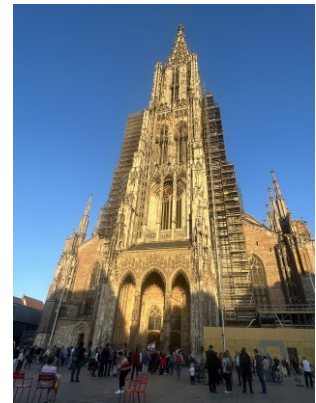

unique water parade with themed and self-made boats accompanied by live music on and off the Danube River (see picture on the right).

**Arts, Culture & Sports:** Ulm boasts a rich cultural scene with art museums showcasing works from prehistoric to contemporary art, numerous theaters, clubs, concert halls, and choirs. For sports enthusiasts, the city offers both outdoor and indoor climbing gyms, a variety of sports clubs, and is home to Ratiopharm Ulm, one of Germany's top basketball teams.

**Prime Location:** Located in the heart of Europe, Ulm offers convenient access to Stuttgart, Munich, the Alps, Lake Constance, the Black Forest, and the renowned Neuschwanstein Castle, all within a two-hour train ride. Additionally, Ulm benefits from direct high-speed train connections to major European cities such as Berlin, Paris, and Vienna.

## 4. Cost of living

### 4.1 Dorms, costs at university cafeteria etc.

Item	Cost or comment
Average student dorm rent per month	€360 (rental costs from €300 to €440)
Average rent in private housing	€380 to €600
Semester contribution/fee	€72
Public transportation	€30 to €49 per month
Average expenses	€900 to €1000 including rent
	...
	...

4.2 Further remarks, if necessary (for example information on extra fee for dorms or semester fee etc.)

## 5. Language skills required

Language	Certificate/level or score	Comment
English	LEVEL ...B2 TOEFL 72 or higher	TOEFL iBT
German	LEVEL B2 TestDaF ::	Only required for courses taught in German; otherwise, no German language skills are needed.

## 6. Established partnerships with the following Latin-American higher education institutions and faculties

<b>Argentina</b>	Universidad Nacional del Litoral
<b>Colombia</b>	Universidad Nacional de Colombia Universidad El Bosque Universidad de Antioquia
<b>Mexico</b>	Instituto Tecnológico y de Estudios Superiores de Monterrey Instituto Tecnológico y de Estudios Superiores de Occidente (ITESO) Universidad de Guadalajara ase name the partner universities

### Comments

## 7. Tuition waivers

Yes ☒ No ☐

Comment: Students from non-EU countries or from universities without a mutual agreement with Ulm University are required to pay tuition fees of €1,500 per semester. For a list of our partner institutions, please refer to paragraph 5 above.

## 8. Cooperation with companies regarding possibilities for internships

Ulm University is situated in the Science City of Ulm, which hosts a range of international and German companies, including Daimler AG, BMW, Nokia, Continental AG, Audi, and Siemens, among others. The university, particularly the Faculty of Engineering, Computer Science and Psychology, maintains strong connections with these industry leaders.

## 9. Further remarks/special services

## 10. Housing situation

Students are guaranteed single rooms in student dormitories.
